## Spotlight on Grace: Celebrating the Ground-Floor Pour

As this week's issue of Grace Abounds hits the wires, a giant pump truck has just finished pouring the entire concrete floor for The Pavilion at Grace. With a crew of workers leveling the material as it pours, and a well-timed sequence of trucks supplying concrete to the hopped of the

pump truck, the entire operation was something to behold.

Over the past week, the steel structure for the new building's stairtower quickly climbed into place -- with the help of a large crane and welders in basket trucks -- along the large brick wall of the West facade. As you can appreciate from the photograph below, it makes for a rather dramatic scene when a crane reaches nearly the same height of our 206-foot spire.

As the next few weeks unfold, watch for the masonry walls to rise up from the ground floor for the portion of the building that's in the foreground above, while framers get to work on the site beginning with installation of the stairtower roof.

Fabrication of the large structural steel elements for the principal gathering space is nearing completion, and their impending arrival and installation will mark the next major milestone in this exciting project that is fascinating to watch unfold.

## Your Health and Wellness Minute: Healthy Hobbies

With its calming repetitive motions and satisfyingly tangible results, knitting has long been hailed as a healthy hobby. Its effects on mood are overwhelmingly positive: one 2013 survey found that it boosted happiness in 81.5% of the more than 3,500 knitters who participated. It can reduce stress, increase focus, and cause feelings of pride and security in people who are anxious. Knitting can have physical benefits as well, such as lowered blood pressure and a decreased heart rate. So...knit on for a healthier outlook!!

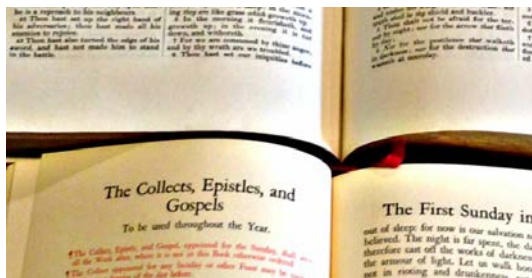

Merry Christmas from your Health and Wellness Ministry

*Colossians 2:2 That their hearts may be encouraged, being knit together in love, to reach all the riches of full assurance of understanding and the knowledge of God's mystery, which is Christ...*

## Calling All Shutterbugs

Do you have a talent and a passion for photography that you would like to offer as an occasional ministry to Grace Church? Do you own a good digital camera? Grace is looking to assemble a short list of potential volunteers to help to highlight some of the many wonderful and memorable moments that we share here.

For select special musical events, holiday services, or other noteworthy happenings, we look forward to reaching out to members of our photography ministry to cover an event or service that they plan to attend. If you would like to be involved in this effort, please contact parish administrator Chris Barker at 401-331-3225 or [e-mail cbarker@gracepvd.org](mailto:cbarker@gracepvd.org).
