Spotlight on Grace: Building Up to a Construction Crescendo

This is the part we've all been waiting for. Over the past several months, we watched as construction of The Pavilion at Grace has progressed from site preparation, to foundation, [to structure](#), [to roofing](#), [to framing](#), and on to the installation of the beautiful Marvin windows (shown here looking through the building's east wall and north-facing facade).

Over recent weeks, the interior has seen a major flurry of activity with the installation of: electrical wiring, plumbing, security systems, HVAC units and associated ducts, fire alarm and sprinkler, telephone and internet, audio system, lighting, and more! And right behind all of that has followed the rapid installation of drywall and other finishes that are the early rounds of the Pavilion's pleasing finishing touches.

The recent trend towards having more and more aspects of the construction underway at any given time will continue through this finishing phase. Work is presently focused upon building the "wing walls" (photo at right), the elegant curved structures that will flank either side of The Pavilion's south wall, complementing the gas-lit stone fireplace and the [featured window installation](#) above.

Over these next several weeks, watch for the ceiling to take form in the main gathering space, beginning with the grid that will provide the structure, and followed by the installation of the finished curved panels. And on the exterior, watch as the landscape takes shape on the Westminster Street side with the labyrinth as its defining feature, while the new reception entrance off the parking lot will see stairs and a handicapped access ramp come into place. This entire process has been something to behold, but now that we enter into these finishing phases, be prepared to see exciting and visible pieces coming together quickly from here forward.

July 2, 2017 - Fourth Sunday after Pentecost

Almighty God, you have built your Church upon the foundation of the apostles and prophets, Jesus Christ himself being the chief cornerstone: Grant us so to be joined together in unity of spirit by their teaching, that we may be made a holy temple acceptable to you; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. **Amen.**

Summer Choir Is Now in Session

During the summer months we will enjoy the leadership of our summer choir! Summer Choir is open to anyone who sings with the Grace Church Choir, or anyone who would like to try singing in the choir. We meet in the Choir Room at 9:00 AM on Sunday mornings, rehearse the hymns and psalm, and prepare a simple anthem or two. You don't need to give previous notice, but if you would like to try Summer Choir, please do [email Vince Edwards](mailto:vince@gracepvd.org), Director of Music, for more

information, or if you have any questions. Feel free to sing one Sunday, or every Sunday! Please note: We may not vest once the weather turns hot, so please wear our summer choir "uniform" - white blouse or shirt, black (or very dark) shorts, pants or skirt and dark-ish shoes (sandals are fine!).
