## Spotlight on Grace: Building Foundations

A 3-Week Summer Mini-Session, July 17, 24 and 31  
at Grace Church in Providence  
Stories from the Hebrew Scriptures:  
Moses, Joshua, Esther and Deborah

As heavy equipment continues to prepare the site adjacent to Grace Church where the foundation for our new building will take shape, inside the church we'll be building foundations of a different sort.

On the second Sunday of each month, including this Sunday, July 10, we direct our sermon to the children of Grace Church with a [Children's Homily](#). In this way we endeavor to lay foundations for a lifetime of engagement with the Gospel of Jesus Christ and a continual journey of spiritual formation. Please be

sure to bring the kids for this Sunday's Children's Homily from Mother Lavonne.

Then, for the remaining three Sundays in July, the Grace Church Sunday School led by Kristie Puster will hold a 3-week mini-session devoted to stories from the Hebrew Scriptures: Moses, Joshua, Esther and Deborah. Following the first hymn and prayer on July 17, 24 and 31, children ages 3-12 will process downstairs to Gammell Hall. Please bring your little ones for these sessions as you're able.

Finally, the music program here at Grace is busy building foundations of musical education and appreciation for boys and girls entering grades 2 through 12.

Specifically, we're looking to add three new members to the choristers program this month, so if you have children who may be interested, please [contact Vince Edwards](#), Director of Music. Please also help us spread the word among your

family, friends, co-workers and/or neighbors with kids, and encourage them to inquire about the program. [Please click here for the full Choristers program brochure](#). Musical interviews may be held at any time, but choristers must be registered for the program by August 1 to be able to attend the August 15-19 Choir Camp.
