## Spotlight on Grace: Creation Care In Focus

As we approach the conclusion of Earth Month, please join us in The Pavilion after the 10:00am worship service this Sunday to learn about the Episcopal Church's Creation Care initiatives and Faith Climate Action by Interfaith Power & Light. Parishioners Marty Ames and Paula Keogh will have helpful climate action resources available for you, and they will also have information about the Green New Deal proposal in Congress. Nature-inspired artwork from our Sunday School children will be on display.

In the meantime, hear what President Bishop Michael Curry has to say about Creation Care and take the online Creation Care Pledge at <https://www.episcopalchurch.org/creation-care>.

You can also take the Faith Climate Action pledge at <https://www.interfaithpowerandlight.org/were-still-in-paris/>.

Learn more about what we can do as individuals and as a church to combat climate change at home and around the world.

Almighty and everlasting God, who in the Paschal mystery established the new covenant of reconciliation: Grant that all who have been reborn into the fellowship of Christ's Body may show forth in their lives what they profess

by their faith; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. *Amen.*
