

VIEWS OF GRACE

THE CROSSING

Right: The mural above the Chancel Arch. The heavenly hosts of angels sing, play instruments, and swing thuribles around the throne of God, depicted at the peak as Christ in Majesty.

Left: The Vestry door, framed by carvings of the four Evangelists (L: Matthew & Mark), (R: Luke & John) taken from the side panels of a font. Above the door is a relief of the Madonna and Child, attended by angels.

Below: A close-up view of the Baptistry floor.
