YOUR CEREMONY... *your way*

Your wedding service at Grace Church includes:

- Time for your rehearsal and (if needed) pre-wedding meetings with our rector.
- The services of our rector or officiant. And if you prefer not to have an Episcopal service, you may bring your own.
- The services of our musician who will play either our church organ or our concert grand piano (or a keyboard in The Pavilion). We also can provide vocalists or instrumentalists for an additional fee.
- The services of our Events Manager and other day-of staff to ensure your day is seamless.

Several extras are available to help make your wedding in Grace Church as unique as you!

A RECEPTION... *like no other*

Whether your ceremony takes place here at Grace Church or elsewhere, your wedding reception in The Pavilion at Grace will be a celebration to remember! Our modular space can accommodate up to 130 guests (allowing space for a dance floor), and can be oriented to suit your needs.

Your rental fee includes:

- Use of the space - and our entire inventory of chairs and tables! - for five hours, plus three extra hours for setup and takedown of your decorations. (Our caterers can help with the floorplan.)
- Use of our fenced-in Courtyard, providing the bonus of a beautiful outdoor space in downtown Providence.
- The services of our Events Manager and other day-of staff.

GRACE CHURCH *welcomes all!*

At Grace Church, we believe that love comes in all colors and shapes, so we open our doors to wedding ceremonies for anyone, regardless of gender, sexual orientation or expression, or religious affiliation.
